Mr. Perlmutter,

This letter is to advise you that your contract with the Department of Mental Health is being terminated due to not complying with the request to provide necessary documents in order to maintain your contract. Per the contract, there is a "Termination for Convenience" clause which states that *"Any of the parties to this Agreement may terminate services by written notice to the other party which shall become effective 30 days from the date of the written notice. Any party providing such termination shall not be liable or responsible for any liability, monetary or otherwise, resulting from any termination, in whole or in part, of that party's involvement in this Agreement. Termination shall be final and shall release the party from any further responsibility to provide service under the terms and conditions of this Agreement."* Therefore, Effective February 6, 2009, your contract with the Los Angeles County Department of Mental Health will be terminated and no longer in effect. Thank you for the work you did with the D-Rate Unit.

Sincerely,

Kelley Butler, SPSW
